

# JOB WITH PERSPECTIVE?

## Trainee Software Engineer

### EasternGraphics – Your Future Employer

With our IT competence we have been supporting now for over 20 years european renowned customers along their sales processes.

Our brand “pCon“ is firmly anchored in the office furniture industry and today reaches more and more companies from the fields of light and acoustics as well as medicine, education and storage facility.

Every day more than 150 motivated colleagues develop our solutions for visual configuration systems and 3D planning software.

An innovative environment, in which it never gets boring.

We are looking to immediately fill the position of a **Trainee Software Engineer** at our headquarters in Ilmenau (Thuringia) – in the green heart of Germany.

### What tasks await you?

As part of a motivated team and mentored by experienced colleagues, you will actively participate in software development. Following a period of extensive basic training, you will autonomously manage and implement software projects. The following activities awaiting you:

- Analysis, conception, coordination and realisation of software projects
- Product and Project Lifecycle Management
- Support of customers, partners and colleagues

### This knowledge is a plus / desirable:

- Git / version control systems
- React / TypeScript

### You fit in our team with:

- Completed technical studies
- Passion for programming
- Affinity for technically-complex issues
- Independent, systematic and careful way of working
- High communicative skills and distinct service orientation
- Joy in knowledge exchange of modern technologies

### Your new work environment:

- 24-month traineeship with option for full-time position
- Direct collaboration with head of the management team and clients
- Flat hierarchies in a friendly working environment
- active health promotion: sit/stand workstations, physiotherapeutic treatments, free gym membership
- flexible working hours
- long-term career perspective
