

JOB WITH PERSPECTIVE?

Frontend Web Developer (m/f/d)

EasternGraphics – Your Future Employer

With our IT competence we have been supporting now for over 25 years european renowned customers along their sales processes.

Our brand “pCon“ is firmly anchored in the office furniture industry and today reaches more and more companies from the fields of light and acoustics as well as medicine, education and storage facility.

Every day more than 150 motivated colleagues develop our solutions for visual configuration systems and 3D planning software.

An innovative environment, in which it never gets boring.

We are looking to immediately fill the full/part-time position of **Frontend Web Developer (m/f/d)** at our headquarters in Ilmenau (Thuringia) – in the green heart of Germany.

What tasks await you?

You will be a member of a product development team and develop the frontend of various pCon web applications, e.g. for the administration of product catalogs and customer information.

At work, our graphics team will prepare the visual design of the websites. A backend developer will provide you with all server-side functions via interfaces. You will implement the dynamic web interface in HTML, CSS and JavaScript. The product manager supports you in case of problems and also provides you with feedback.

You fit in our team with:

- Passionate interest in programming and web technologies
- Strong analytical mindset
- Advanced knowledge of HTML, CSS and JavaScript
- Experience in responsive web development
- Preferable: Knowledge in Sass, React
- Preferable: Experience on HTML email authoring
- Independent, systematic and careful way of working

Your new work environment:

- Flat hierarchies with a friendly team
- Active health promotion: stand-seat workstations, physiotherapeutic treatments, fitness studio membership
- Flexible working hours
- Intensive mentoring and long-term career perspective
