

JOB WITH PERSPECTIVE?

Lead Developer Web Application (m/f/d)

EasternGraphics – Your Future Employer

With our IT competence we have been supporting now for over 25 years european renowned customers along their sales processes.

Our brand “pCon” is firmly anchored in the office furniture industry and today reaches more and more companies from the fields of light and acoustics as well as medicine, education and storage facility.

Every day more than 150 motivated colleagues develop our solutions for visual configuration systems and 3D planning software.

An innovative environment, in which it never gets boring.

We are looking for a **Lead Developer Web Applications (m/f/d)** at our headquarters in Ilmenau (Thuringia) – in the green heart of Germany!

What tasks await you?

You work at the technological development of various web applications of our pCon products in cooperation with your team colleagues. You will become the Technical Team Leader and will guide the team methodically after the initial introduction. In detail, you can expect the following:

- Design, development and enhancement of high-performance web applications based on JavaScript/TypeScript
- Optimisation, further development and realisation of user interface concepts
- Implementing web-based user interfaces
- Managing of code reviews
- Mentoring your team colleagues and regularly meetings

You fit in our team with:

- Completed professional training or degree in the field of computer science or a similar qualification and the desire for responsibility
- Several years of professional experience in architecture and development of web applications as well as in-depth knowledge of TypeScript, HTML5 and CSS3
- Experience with modern web frameworks such as React or Angular and with version management such as Git
- Confident language skills in German and English
- Responsible and structured way of working, analytical skills as well as the ability to work in a team and a high level of quality awareness

Your new work environment:

- Comprehensive on-the-job training and continuous feedback
- Flat hierarchies with a friendly team
- Active health promotion: stand-seat workstations, physiotherapeutic treatments, fitness studio membership and a bike leasing option
- Flexible working hours
- Long-term career perspective

Interested?

Please don't hesitate to mail us your completed application. For further questions, we are also available by phone. We look forward to receiving your application and meeting you!
