

JOB WITH PERSPECTIVE?

Linux Server Administrator (m/f/d)

EasternGraphics – Your Future Employer

With our IT competence we have been supporting now for over 25 years european renowned customers along their sales processes.

Our brand “pCon“ is firmly anchored in the office furniture industry and today reaches more and more companies from the fields of light and acoustics as well as medicine, education and storage facility.

Every day more than 150 motivated colleagues develop our solutions for visual configuration systems and 3D planning software.

An innovative environment, in which it never gets boring.

We are looking for you as a dedicated **administrator of our Linux server landscape (m/f/d) in full or part time** at our headquarters in Ilmenau (Thuringia) – in the green heart of Germany!

What tasks await you?

EasternGraphics provides several smartphone apps, web applications and web services within the brand pCon. You will administrate the Linux server landscape required for this. In cooperation with your colleagues from administration and product development you will continuously develop it further.

In detail, you can expect the following:

- Installation and updating software on the servers along with improving their management and rollout with the use of Docker and Kubernetes, etc.
- Research, evaluation and provision of hardware and software solutions with regard to new requirements, e.g. storage solutions for customer project files
- Monitoring of servers
- Development of automated tests for server installations
- Further development of concepts for server reliability and redundancy

You fit in our team with:

- Completed apprenticeship or degree in the field of computer science, system integration or a similar qualification
- Expertise and experience in the administration of Linux systems
- Basic programming skills (e.g. Bash, Python) for process automation as well as for a better understanding of our hosted services
- Enthusiasm and motivation for learning and working with new technologies
- Sensitivity for high reliability of our infrastructure combined with the necessary independent, structured and careful way of working

Your new work environment:

- Comprehensive onboarding and mentoring with regular feedback
- Flat hierarchies with a friendly team
- Active health promotion: stand-seat workstations, physiotherapeutic treatments, fitness studio membership and a bike leasing option
- Flexible working hours
- Long-term career perspective

Interested?

Please don't hesitate to mail us your complete application. For further questions, we are also available by phone.

We look forward to receiving your application and meeting you!
