

JOB WITH PERSPECTIVE?

Software Developer C++ (m/f/d)

EasternGraphics – Your Future Employer

With our IT competence we have been supporting now for over 25 years european renowned customers along their sales processes.

Our brand “pCon“ is firmly anchored in the office furniture industry and today reaches more and more companies from the fields of light and acoustics as well as medicine, education and storage facility.

Every day more than 150 motivated colleagues develop our solutions for visual configuration systems and 3D planning software.

An innovative environment, in which it never gets boring.

We are immediately offering a position as **Software Developer C++ (m/f/d)** at our headquarters in Ilmenau (Thuringia) – in the green heart of Germany!

What tasks await you?

You are responsible for the technological development and enhancement of our European-leading room planning software, pCon.planner, in close cooperation with your team colleagues. In detail, you can expect the following:

- Holistic software development with C++
- Further development of existing components in terms of design and specification
- Implementation and integration of new components and algorithms in the areas of GUI, visualisation, 3D, CAD and core functionality
- Error analysis and bug fixing
- A small and highly motivated team where you can contribute your own ideas and expertise

You fit in our team with:

- Studies in the field of software development/computer science (preferable)
- Deep knowledge in software development with an object-oriented programming language, preferably C++ and practical experience in working with Git and CMake as well as debugging with VisualStudio
- Knowledge in using GUI frameworks e.g. Qt Library (a plus)
- Confident language skills in German and English
- Responsible and structured way of working, analytical skills as well as the ability to work in a team and a high level of quality awareness

Your new work environment:

- Comprehensive onboarding and mentoring with regular feedback
- Flat hierarchies with a friendly team
- Active health promotion: stand-seat workstations, physiotherapeutic treatments, fitness studio membership and a bike leasing option
- Flexible working hours
- Long-term career perspective
