

# JOB WITH PERSPECTIVE?

## Frontend Web Developer (m/f/d)

### EasternGraphics – Your Future Employer

With our IT competence we have been supporting now for over 25 years european renowned customers along their sales processes.

Our brand “pCon“ is firmly anchored in the office furniture industry and today reaches more and more companies from the fields of light and acoustics as well as medicine, education and storage facility.

Every day more than 150 motivated colleagues develop our solutions for visual configuration systems and 3D planning software.

An innovative environment, in which it never gets boring.

We are looking for you as a passionate **Frontend Web Developer (m/f/d)** for at least 30 hours per week at our headquarters in Ilmenau (Thuringia) – in the green heart of Germany!

### What tasks await you?

In close cooperation with your team colleagues, you will be involved in the long-term development of our various web applications within the pCon brand. Here you can bring in your own ideas and expertise. In detail, you can expect the following:

- Modern frontend development with HTML5, CSS3, JavaScript and React
- Implementation of the visual design and dynamic web interfaces according to the specifications of our graphics team
- Teamwork with back-end developers and web designers to improve the usability of the website

### You fit in our team with:

- Degree in computer science or an equivalent course of study or apprenticeship
- Experience and advanced knowledge of HTML, CSS, JavaScript and TypeScript as well as components based on these such as Angular and React
- Confident language skills in German and English
- Strong analytical mindset as well as an independent, systematic and meticulous way of working

### Your new work environment:

- Comprehensive onboarding and mentoring with regular feedback
- Flat hierarchies with a friendly team
- Active health promotion: stand-seat workstations, physiotherapeutic treatments, fitness studio membership and a bike leasing option
- Flexible working hours
- Long-term career perspective

### Interested?

Please don't hesitate to mail us your complete application. Please feel free to send us details and links to interesting projects and public profiles (git). For further questions, we are also available by phone.

We look forward to receiving your application and meeting you!
