Consultant / Developer – .NET/C#

EasternGraphics – Your Future Employer

Throughout Europe, our pCon brand has been a daily part of our customers' businesses for over 20 years. Even across European borders, companies recognize the strength of pCon solutions in the fields of product configuration, room planning and architectural services.

With reputable companies, international partners and subsidiaries, things at EasternGraphics never get boring. Our employees are the heart of the company and we work hard to support them through a healthy work-life balance and attractive health programs.

We are looking to immediately fill the position of **Consultant / Developer focusing .Net/C#** at our headquarters in Ilmenau (Thuringia) – in the green heart of Germany!

What tasks await you?

As part of a motivated team, you will be involved in the development and consulting of our innovative planning-software: pCon.planner.

The following exciting and diverse daily activities await you:

- Function as Developer for Plugins
- Participation in specific enhancements of our leading planning software for our customers of industry and trade
- Intermediary between internal team and customer
- Supporting our customers
- Establishing and maintaining long-term customer relationships

We are happy to discuss further details during a personal interview.

What skills should you bring?

For this exciting and varied activity, we expect the following:

- Experience and very good knowledge in software development with an object-oriented programming language, preferably C#
- Independent, careful and systematic way of working
- Excellent analytic thinking
- Interest in computer graphics

What are we offering?

- Comfortable work environment with good work-life-balance
- Flexible work hours
- Flat organization with friendly team

Interested?

Please don't hesitate to e-mail us your completed application. For further questions, we are also available by phone. We look forward to receiving your application and meeting you!
