Developer Product Information Service

EasternGraphics – Your Future Employer

Throughout Europe, our pCon brand has been a daily part of our customers' businesses for over 20 years. Even across European borders, companies recognize the strength of pCon solutions in the field of product configuration, room planning and data processing.

With reputable companies, international partners and subsidiaries, things at EasternGraphics never get boring.

We are looking to immediately fill the position of **Software Developer** for our product information service at our headquarters in Ilmenau (Thuringia) – in the green heart of Germany!

What tasks await you?

As part of a motivated team, you will play a leading role in the development of a web service, providing product information for our app pCon.facts. The following daily activities await you:

- Development and design of software in collaboration with product manager
- Implementation of functionalities of our web service with REST-interfaces, single interfaces and usage statistics
- Supporting our manufacturers with providing product information via REST-interfaces
- Testing and documentation of software

What skills should you bring?

Our new software developer should always be on the ball and able to keep a cool head when things get stressful.

In addition, we expect the following:

- Passionate interest in software development and web technology
- Professional communication skills with customers – in English and German
- Experience in software development – preferred JAVA or Python
- Advanced knowledge in HTTP-Protocol, REST-APIs and data bases
- Excellent analytical thinking
- Independent, systematic and meticulous worker

What are we offering?

- Comfortable work environment with healthy work-life balance
- Active health promotion: sit-stand workstation, physiotherapeutic treatments, fitness studio membership
- On-the-job-training and flexible work hours
- Flat organization with friendly team

Interested?

Please don't hesitate to e-mail us your completed application. For further questions, we are also available by phone. We look forward to receiving your application and meeting you!
