

Need a job?

We're looking for go-getters!

Software Developer – JavaScript/TypeScript

EasternGraphics – Your Future Employer

Throughout Europe, our pCon brand has been a daily part of our customers' businesses for over 20 years. Even across European borders, companies recognize the strength of pCon solutions in the field of product configuration, room planning and data processing.

With reputable companies, international partners and subsidiaries, things at EasternGraphics never get boring.

We are looking to immediately fill the position of **Software Developer** for our interactive app at our headquarters in Ilmenau (Thuringia) – in the green heart of Germany!

What tasks await you?

As part of a motivated team, you will be involved in the development of our standard applications (pCon) and customer projects based on in-house core technology. You will also function as a developer for web-based user interfaces, basic technologies and customer projects. The following exciting and diverse daily activities await you:

- Participation in the design of development projects
- Development and implementation of new operating concepts
- Implementation of web-based user interfaces
- Integration and connection to third-party systems (including Cloud)
- Product-specific troubleshooting
- Supporting customers, partners and colleagues

What skills should you bring?

Our new web developer should always be on the ball and able to keep a cool head when things get stressful.

In addition, we expect the following:

- Passionate interest in programming and web technology
- Excellent knowledge of JavaScript/TypeScript
- Knowledge in responsive frontend design with HTML5, CSS3 and jQuery/React
- Excellent analytic thinking
- Knowledge in the area of relational databases
- Experience with version-control system Git

What are we offering?

You can expect a high degree of independent work and freedom to develop your own ideas. In addition to exciting projects with a great deal of creative freedom, you can look forward to a comfortable work environment with a good balance of work, free time and family. Our employees are the heart of our company and we work hard to support their health. We offer stand-sit workstations, physiotherapeutic sessions and fitness studio membership.

Interested?

Please don't hesitate to e-mail us your completed application. For further questions, we are also available by phone. We look forward to receiving your application and meeting you!
